

The perfect gift

A gift to keep you organised?
A present to help you clean?
A gadget for the kitchen?
No, that would just be mean!

Pretty perfume just for you?
Something for the car?
All of these ideas
Won't get me very far!

So much that you deserve,
was your favourite colour blue?
Oh, what is that one thing
to show that I love you?

I will make you something,
And of that I will be proud,
I know you will love it too,
It will be bright, it will be loud!
Here it is Mum,
In bed you should stay,
Breakfast and a card,
On this special Mother's Day.
